High School Happenings

Spring 2013

Leadership & College

This spring, the High School Boys and Girls participated in a Know Your Rights workshop in April featuring community police. In our May workshop, student athletes worked on writing and improving their resumes with volunteers from various professional backgrounds.

For the past year, the workshops have been helping our seniors prepare for college admissions and decisions. We are proud to acknowledge the accomplishments of our 2013 graduating class: Ceara Sammon, Kamila Biedrzycki, Corinne Heavner, Anthony Cutler, Alvaro Quirante, Anuli Okoye-Oyibo, Joji Vakasisikakala, Aaron Davis, Kayshawn Weaver and James Vargas. Chosen colleges include AIC, Binghamton, SUNY Buffalo, Bowdoin, Molloy, WJU and Penn State. We wish them the best of luck in the classroom and on the rugby field!

On the Pitch

In April, New York Rugby Club celebrated their annual Family Day with the different teams coming together for the club.

In their league matches, the Boys played LI Colts, Harvey, Xavier, St. Anthony's and New Rochelle finishing with an undefeated season. The Girls played Columbia, Elizabeth and NJ Blaze in preparation for competing at National Championships in Wisconsin.

At the end of May, both Girls and Boys made it to the NY State Championships coming home with 2nd and 3rd place respectively, proudly wearing their medals.

In the Works

June - Select Side Tryouts & Matches
July - Summer 7s Tournaments
